EXPERIENCE

Softwire, London, UK — Software Developer

SEPTEMBER 2021 - SEPTEMBER 2023

- Applied knowledge of **React**, and **Redux** to drive continuous improvement on an HR & Payroll platform fixing bugs, developing features, and doing code reviews.
- Collaborated with Channel 5 designers to update the video UI across their smart TVs and web platforms following **Figma** UI Design files.
- Developed a mobile-first responsive quiz application using **React** and **CSS3** and packaged the app as a WordPress plugin.
- Designed an expense claim feature on a payroll application including gathering requirements, and creating wireframes and user interfaces.
- Solved challenging front-end bugs across devices ranging from smart TVs to web applications utilising tools such as browser developer tools.

Starleaf, Watford, UK — Cloud Services Intern

SEPTEMBER 2019 - SEPTEMBER 2020

- Created an interactive timeline chart using **TypeScript** to visualise diagnostic data about a call which reduced the time to diagnose call issues.
- Utilised **PostgreSQL**, proficient in executing CRUD operations, database migrations, and designing schema changes.
- Analysed requirements and developed data dashboards using **Python Flask** to support the requests of cross-functional teams.
- Coordinated tasks with **Jira**, facilitated collaboration on Slack and ensured code integrity using **Git** for version control.

SyberPong, Ulaanbaatar, MGL— Volunteer Web Developer

NOVEMBER 2020 (2 weeks)

- Creatively collaborated to develop and deploy a responsive [website](#) in **HTML**, **CSS** and **Javascript** to launch an indie game demo and monitored its traction using **Google Analytics**.
- Replicated front-end features from different videogame websites such as screen animations and mouse hover effects using **JS**.

SKILLS

Javascript · Typescript
React.JS · Next.JS
HTML · CSS · SASS
Figma · JIRA · Jenkins
Unit and Integration Testing
Git version control

CERTIFICATIONS

AWS Cloud Practitioner:
Studying

EDUCATION

Corndel, UK, 2023
Higher Apprenticeship in
Software Development

UCL Academy, UK, 2019
A-Levels: Maths, Computer
Science, Further Maths

PARTICIPATIONS

Making the Leap ACE programme: Participated in 3-week training developing presentation, teamwork, and communication skills.
